

HANSON COUNTY DRAINAGE BOARD  
MINUTES OF PROCEEDINGS  
Tuesday, July 2, 2024

Chairman Bumgardner called the meeting of the Hanson County Drainage Board to order on Tuesday, July 2, 2024 with members Fox, Kjetland, Schoenrock and Waldera present.

Motion Waldera, seconded by Fox to approve the agenda. Motion carried.

Motion Schoenrock, seconded by Kjetland to approve the June 18, 2024 meeting minutes. Motion carried.

No conflict of interest.

Travis Kampshoff, City of Emery, presented a permit for consideration. Motion Fox seconded by Kjetland to approve permit #24-26 for the City of Emery to clean a blue line water way in section 26 and 27 of 102-57 subject to Sandra Hanson Thornton signing the permit. All voted aye, motion carried.

Motion Fox, seconded by Schoenrock to approve permit #24-27 for Scott McManus to clean a drainage ditch in the NE4 of 6-102-58. All voted aye, motion carried.

Motion Fox, seconded by Kjetland to update the original Drainage Application/Permit by changing named watercourse to blue line so it now matches the wording in the Drainage Ordinance. The amended application/permit will read "Names of downstream landowners between outlet and nearest **blue line** will be required". All voted aye, motion carried.

Lloyd and Jane Morrison asked about the closure of 413<sup>th</sup> Ave. in Plano Township because of flood damage done to the bridge. They are wondering what the plan is and how far down on the list this bridge is for repairs. They were told in 2019 that bigger culverts would be added in hopes of preventing this road from being closed again but that hasn't happened yet. Lots of tiling has been done in this area which they believe has contributed to the flooding.

Tom Schulz spoke about the water coming from the north which holds up on his property. Schultz will visit with the Drainage Administrator about obtaining permits to keep the water moving off his property.

As there was no further business before the Board, a motion was made by Waldera, seconded by Fox to adjourn the meeting. Motion carried.

John Bumgardner, Chairman  
Hanson County Drainage Board
